CONNECTION REQUEST

As a taxpayer of the Beaver Falls Waterworks District, I am requesting that water services be connected to my home/business/church/park.

I understand that:

1. \$1000 Capital Expenditure Charge per property is due before any work can proceed. (Bylaw No. 113)
2. A \$1000 Connection Charge deposit to be held against actual costs with the difference being refunded as appropriate. (Bylaw No. 182)
3. A \$100 Application/Inspection Fee per application. (Bylaw No. 182)
4. A Subdivision Charge of \$300 per subdivision is due before work can proceed. (Bylaw No. 67)
5. The form and payment must be received by the Beaver Falls Waterworks District prior to the connection taking place.
6. The yearly water tolls are payable no later than April 1st of each year.
7. My tax account must be in good standing prior to the connection taking place.
