

## **BEAVER FALLS WATERWORKS DISTRICT BYLAW NO. 216**

A Bylaw for fixing connection charges payable to the improvement district and the time of payment thereof.

The Trustees of the Beaver Falls Waterworks Improvement District ENACT AS FOLLOWS:

1. Definitions:

*Service Connection* - Shall mean the pipeline installation from the improvement district's main to the property line of the property to be served, when such property line coincides with the established road allowance.

*Service Pipe* - Shall mean the pipeline installation from the curb stop at the property line to the premises of the owner.

2. Application for Water:

(a) Application for water shall be made in writing to the Improvement district, delivered to the Secretary of the District, and shall be in such form as the Trustees may, from time to time, prescribe, and shall be signed by the applicant who shall be the owner or an authorized agent of the owner of the property in respect of which application for water is made.

(b) Each application for water shall be accompanied by the prescribed charges as set in this bylaw.

(c) No connection shall be made to any water main, or any water supplied upon any application, until all fees and charges for water connection, meter installation, or other monies required by the improvement district to be paid have been paid in full or until alternative arrangements have been made and approved by resolution of the Trustees.

(d) Each application shall contain the name of the owner, the legal description of the land parcel, specific details of the type and extent of development to be served, and the type of water service required.

3. Connection Charge:

Every applicant for connection to the works shall pay to the District the total cost of labour, materials, permits and any other items required to install the service connection, plus an inspection and administration charge of one hundred and fifty dollars(\$150.00).

4. The Trustees may, at their discretion, and subject to the prior payment of the above charges, require the property owner or his representative to carry out the installation of the service connection complete or any part thereof.

5. The minimum deposit to be made at the time of application for a connection shall be one thousand and five hundred dollars (\$1,500.00) - non-refundable, upon approval of application.

6. Where the cost of labour and material expended by the District in installing the connection exceeds the minimum deposit against actual cost as set out above, the District shall recover the balance to be paid forthwith after the installation of the service connection, and the water will not be turned on until this balance is paid.
7. This Bylaw repeals Bylaw No. 181
8. This bylaw may be cited as the "Connection Charge Bylaw No. 216".

INTRODUCED and given first reading by the Trustees on the 12th day of November 2024.
